THE HOUSE OF LEVI

A SELECTION OF CHORD CHARTS
& LYRICS FROM OUR WORSHIP ALBUMS

THE HOUSE OF LEVI

Worship changes atmospheres.

It breaks off depression. It pulls heaven down into any space. It brings healing. It brings freedom, and most of all, it cracks open our hearts, so connection and dialogue can happen with our Heavenly Father.

We believe the Lord gave us this collection of Songs. They have carried us through some very difficult seasons. We want these songs to be available to help others sustain and proclaim unwavering faith as they overcome doubt and unbelief during hard times in their own journey with Him.

That is why we have free music and chord charts available on our website. Please feel free to use these songs in personal and corporate worship settings to connect and help others connect with the Lord. Please do not record and distribute these songs without obtaining permission from us. This can easily be done by contacting us @matt@thehouseoflevi.com Thank you for downloading this selection of Chord Charts from our worship albums. It is our prayer that they help you experience the Father and live your life as an overcomer on this Earth. Enjoy!

The House of Levi is led by husband and wife team, Matt and Kat Romett. They gather from a community of musicians, as they go out & minister in worship. Their songs are raw and unrefined, as they seek to breakthrough, with passion right into the heart of the Father. They desire to see the manifest presence of heaven revealed in worship to the Father. They currently lead worship and teach at their local church, and have the opportunity to lead at different conferences, worship gatherings, retreats and home meetings.

Their music is inspired by such artists as 100 Portraits, Waterdeep, Kevin Prosch, Nic & Rachael Billman, Lisa & Bj Sullivan & Bethel Worship.

spontaneous

Come, Come my child sit for a while
and I will give you rest.
Come, Come my child rest for a while
lay your head on your Daddy's chest.

I'll take your shattered dreams
and tell you all about my dreams for you
I'll take your wounded heart
and show you how I make all things so new
I'll take your troubled mind
and I will put my own mind right in you
I'll take all your sin,
and take all your shame
and I'll cast them away

You are mine,
I am yours

I knew you before when you were in your mother's womb
where I knit you together for My good pleasure

I have a plan for you, I have a plan for you,
I have a plan for you, I have a plan for you

It's to give you a hope, It's to give you a hope, It's to give you a hope,
It's to give you a hope, It's to give you a hope, It's to give you a hope,
It's to give you a hope, and a future.

You are mine...

The House of Levi - Album: Fire Songs

Asus2 Am Asus4 Am

Teach us how to worship You in Spirit and in Truth
Teach us how to worship You in Spirit and in Truth
With all we are. With all we are.

A time is coming and is now at hand,
When true worshipers will worship the Father in Spirit and Truth
A time is coming and is now at hand,
when true worshipers will worship the Father in Spirit and Truth

For this is the kind of worship
The Father seeks.
